HLT37215 - Certificate III in
**Pathology
Collection**

Blended Delivery

Australian
Qualifications
Framework

NATIONALLY RECOGNISED
TRAINING

Course Overview

The HLT37215 Certificate III in Pathology Collection reflects the role of pathology collectors. Individuals in this position follow established routines and procedures, taking responsibility for their own work under general supervision. They combine communication, customer service, and technical skills, using discretion and judgment to adapt and apply their skills to various situations. To obtain this qualification, candidates must complete at least 35 hours of work as outlined in the Assessment Requirements for the units of competency. At the time of publication, there are no licensing, legislative, regulatory, or certification requirements associated with this qualification.

	Duration	6 Months
	AQF Level	3
	Course Delivery	Blended
	Professional Experience Placement (PEP)	35 Hours

Mode of Delivery

Blended (combining online real-time theory tutorials with on-campus simulation-based training and professional placements).
