BSB40520 - Certificate IV in
**Leadership and
Management**

Online Delivery

Course Overview

BSB40520 – Certificate IV in Leadership and Management highlights the role of individuals who are developing and emerging as leaders and managers across various enterprise and industry contexts. In addition to managing their own performance, individuals at this level often provide leadership, guidance, and support to others. They may also take on responsibilities for organising and overseeing the output of teams.

They are skilled at applying solutions to a range of both predictable and unpredictable problems, as well as analysing and evaluating information from diverse sources. At the time of publication, there are no licensing, legislative, or certification requirements associated with this qualification.
