CHC50121 - Diploma of
**Early Childhood
Education and Care**

Online Blended Delivery

The CHC50121 – Diploma of Early Childhood Education and Care qualification is suited to the role of childhood educators who are responsible for designing and implementing curriculum in early childhood education and care services. You will be required to implement an approved learning framework within the requirements of the Education and Care Services National Regulations and the National Quality Standards.

This course teaches you the skills and knowledge to provide appropriate education and care to children. You may choose to work under direct supervision or autonomously and may also be required to supervise others. Students who have successfully completed Certificate III in Early Childhood Education and Care will receive advance standing for this course.

AQF Level:
5

Training Hours:
1250 Hours
