CHC51015 - Diploma of
Counselling

Online Blended Delivery

Australian
Qualifications
Framework

The nationally recognised CHC51015 - Diploma of Counselling equips you with relationship building tools to advance your career in the healing industry. Come and develop your communication skills and emotional intelligence through role-play to work as a social worker or a case coordinator counsellor.

Whether you are new to professional counselling or want to safeguard your career with an industry-recognised qualification, IHNA's CHC51015 Diploma in Counselling gives you real-world skills and knowledge, underpinned by a strong philosophical framework.

AQF Level:
5

Training Hours:
1145 Hours

Mode of Delivery:
Online Blended

Career Outcomes

After the successful completion of the course the candidates may gain employment as Early childhood educators in various places such as:

- Counsellor
- Case Worker
- Intake Counsellor
- Family and Marriage Counsellors
- Rehabilitation Counsellors
- Addiction Counsellors
- Business and Life Coaches
- Student Counsellors
- Youth and Refugee counselling
- Bereavement counsellors

Entry Requirement

- 21 years of age and above at the time of commencement of the course
- Successful completion of an Australian Year 12 course or equivalent
- Mature age individuals who may not have completed year 12 but have significant work experience and meet the LLN requirements.
- Students may undergo language, literacy, and numeracy (LLN) to identify Language, Literacy and Numeracy capabilities at the time of Orientation (prior to commencing the courses).

Students over the age of 22 will also be considered without the minimum education requirements. Each case will be reviewed individually to ascertain the capacity of the student to meet course requirements.

Students enrolling on the online program will be required to attend:

- The online orientation
- The course is provided through Online mode of delivery. It will be delivered over 1145 hours of delivery which will include theory delivery, formative activities, simulation-based training and assessment.

Please call our friendly admissions team to know more about the course.
