# Assessment Validation and Moderation Policy

www.ihna.edu.au enquiry@ihna.edu.au

## **SECTION 1**

## 1. Purpose

- 1.1 Institute of Health and Nursing Australia (IHNA) is committed to providing quality learning, teaching and assessment in accordance with the Standards for Registered Training Organisations (SRTOs 2015). As such, IHNA is required to implement a plan for ongoing systematic validation of assessment practices and judgments for each course on its scope of registration.
- 1.2 The purpose of this policy is to:
  - a. Review IHNA assessment tools as designed against the Rules of Evidence and Principles of Assessment prior to being given to students; and
  - b. Ensure ongoing systematic validation and moderation of assessment practices and judgments.

#### 2. Scope

2.1 This policy applies to all assessment activities of IHNA.

#### 3. Definitions

3.1 Refer to IHNA's Glossary of Terms.

## **SECTION 2**

#### 4. Policy Principles

- 4.1 Pre-assessment validation of assessment tools is undertaken to ensure compliance with the requirements of training products, rules of evidence and principles of assessments are met. In the initial case, student assessments will not be available.
- 4.2 Assessment validation and moderation is used by IHNA to:
  - a. Verify and maintain industry relevance of training and assessment strategies, practices and resources;
  - b. verify compliance with requirements of training products;
  - c. monitor compliance with SRTOs 2015;
  - d. evaluate efficiency of training and assessment strategies and practices;
  - e. engage with industry;
  - f. apply as a method for continuous improvement of IHNA training and assessment products and services;
  - g. ensure consistency and integrity, meeting the needs of the industry.

Page 2 of 7

- 4.3 Validation and moderation of assessments will require consideration of:
  - a. Training and assessment strategies;
  - b. Student and Assessor version of assessment tools;
  - c. Statistically valid sample student assessments (for post-assessment validation)
  - d. Assessment evidence and judgments.
- 4.4 The academic team will undertake validation and moderation which will then be reviewed and approved by the Course Development and Advisory Committee (CDAC). The team will have one or more persons who are not directly involved in the particular instance of delivery and assessment of the training product being validated, and who collectively have:
  - a. Vocational competencies and current industry skills relevant to the assessment being validated;
  - b. Current knowledge and skills in vocational teaching and learning; and
  - c. The training and assessment qualification or assessor skill set referred to in Schedule
     1 of Standards for RTOs 2015.
- 4.5 Industry experts may be involved in validation to ensure there is a combination of expertise set out in the team.
- 4.6 The validation process provides an opportunity for dissemination of information and professional development on the processes, practices and procedures to Assessors.
- 4.7 The validation process is to ensure individuals are respected and confidentiality is upheld.
  - a. Confidentiality includes:
    - i. No copying or use of materials made available for moderation without prior permission from the Intellectual property owner;
    - ii. Respect ethical practice;
    - iii. Respect the privacy of assessors.
  - b. IHNA ensures discussions during validation to validate:
    - i. The effectiveness of assessment tools and practices;
    - ii. The standard of performance demonstrated and achieved;
    - iii. The evidence collected meets with the Rules of Evidence; and
    - iv. The accuracy and consistency of the assessment judgments.
- 4.8 Validation and Moderation Plan
  - a. The validation plan will cover a five (5) year cycle.

#### Page 3 of 7

- b. The validation plan will be reviewed and updated annually to accommodate changes in the business, industry/environment, scope and identified risk areas.
- c. The IHNA validation plan will include:
  - i. Proposed dates for validation meetings;
  - ii. Full code and title of each of the nominated units/modules from the training product;
  - iii. The designated chair of the validation meeting;
  - iv. The suggested/nominated participants;
  - v. How the outcomes of the validation will be documented; and
  - vi. How the outcomes of the validation will be acted upon.
- d. At least 50% of products will be validated within the first three years of each fiveyear cycle; taking into account scope of delivery, relative risks and industry needs.
- e. Risks will be assessed based on:
  - i. Unit of competency/module
  - ii. Delivery site
  - iii. Delivery mode
  - iv. Student feedback
  - v. Third-party arrangements in place
  - vi. Equipment used
  - vii. Financial concerns
- viii. Assessment methods implemented
- ix. Licensing requirements
- x. Numbers of Enrolments
- xi. Assessment outcome rates/statistics
- xii. Recent addition to scope
- xiii. Complaints
- xiv. Appeals
- xv. Staff turnover
- xvi. Risks identified by the VET Regulator

- f. The validation of assessments includes moderation, which reflects collaborative arrangements between students, teaching staff and industry partners.
- 4.9 Industry Engagement
  - a. IHNA engages industry representatives to validate training and assessment strategies, practices, and resources (including assessment tools) during the development phase of all training and assessment products to ensure:
    - i. relevance of materials and tools to the needs of industry;
    - ii. relevance of trainer and assessor industry skills (See Training and Assessment Strategy Development Policy for more details).

#### 5. Records Management

5.1 All documentation from validation and moderation processes is maintained in accordance with the Records Management Policy (See Records Management Policy for more details). All assessment validations will use the 'Assessment Validation Form' as the guide to the process and to record the validation outcomes.

#### 6. Monitoring and Improvement

6.1 All validation and moderation practices are monitored by the Training Manager/Course Coordinator or the delegate and areas for improvement are identified and acted upon. Outcomes from validation are fed into the continuous improvement register (See IHNA Quality Assurance and Continuous Improvement Procedure).

#### 7. Responsibility

- 7.1 The overall responsibility of implementing this policy lies with the Academic Director who coordinates with Training Managers and Course Coordinators for systematic validation of assessment practices and judgments.
- 7.2 Assessors are responsible for:
  - a. implementing professional and effective assessment and validation practices (See Assessment Policy);
  - b. implementing the assessment instruments and instructions provided for the process of conducting assessment; and
  - c. ensuring that assessment complies with Principles of Assessment and Rules of Evidence.

7.3 The Course Development and Advisory Committee (CDAC) is reported. of the validation process.
