All applicants must complete a formal application, which gathers specific information required under legislation, including unique student identifier (USI), identity and funding eligibility and reporting data. This information is validated, and if eligible, a statement of fees is generated based on the information provided, and the applicant progresses to selection.
- c. **VET Student Loans:** IHNA gathers information during the enrolment process that satisfies the requirements of VET Student Loans Rules 2016 (Division 2—Eligible students), the VET Student Loans Manual for Providers and IHNA’s VET Student Loan Process and Procedure.

be verified by the applicant may be grounds to revoke the offer of a place at IHNA, regardless of whether the student subsequently accepted the offer by enrolling.

NOTE: IHNA has implemented this procedure to ensure that a student is not concurrently enrolled in two funded courses. This strategic measure aims to optimise student completion rates and foster a concentrated and supportive learning atmosphere. By adhering to this procedure, IHNA seeks to enhance the overall educational experience for students and maintain a focused academic environment.

- c. IHNA Student Recruitment staff will share details of all available student facilities and encourage students to disclose any concerns about completing the course, ensuring adequate support is in place to help them succeed.
